Shop Swatch & Quote Checklist

Original vehicle

4-color comparison

Colors to check with your installer

- Satin Black | Satin | 3M 2080-S12 / Avery SW900-197-O

Quote checklist

- [ ] Confirm the physical color and finish in daylight.
- [ ] Ask about paint condition and surface preparation.
- [ ] Ask for the installed price and estimated turnaround.
- [ ] Confirm which panels, trim and edges are included.
- [ ] Confirm the film series and workmanship warranty.
- [ ] Ask about washing, care and safe removal.

Rendered colors and finishes are visual approximations affected by photo lighting and screen calibration. Always confirm the film and finish against physical swatches with your installer before ordering.
